

Practical Math for the Turfgrass Professional

This extension publication addresses the many math problems turfgrass managers are required to do on a daily basis. This is an electronic publication which allows for electronic reading as well as the capability to print chapters on demand. Below is a list of chapters included in this CD and a detailed list of instructions for purchasing this CD. If you have questions regarding the content of this CD, feel free to contact Dr. Aaron Patton by email at ajpatton@uark.edu or by phone at (479) 575-2612.

Ordering instructions:

1. Visit the Arkansas Cooperative Extension Services online publication website at: <http://pubs.uaex.edu/pubsWebuser.asp>
2. Enter your zip code and click on the “continue” button.
3. Type “CDHORT200” in the search box (i.e. Enter Keyword/Phrase) at the left side of the screen and click enter.
4. One the publication appears, enter the appropriate quantity and click “add to cart”.
5. Click “check out”.
6. Click “proceed to check out.”
7. Select the appropriate shipping method. Leave the city blank unless you are shipping to an Arkansas county extension office. Click continue.
8. Fill-in the appropriate address and click continue.
9. Select the appropriate payment information and finish the transaction.
